

We've made it convenient to change your banking relationships to Saint Luke's Credit Union with our *Checking Transfer Kit*. Follow these steps and use the forms provided to make the transition to Saint Luke's Credit Union a smooth one.

Here's a checklist to help you convert your checking account to Saint Luke's Credit Union.

- Make sure all of your checks have cleared.
- Make sure there are enough funds in your account to cover any automatic payments that may hit your account.
- Send written notice to your employer and any other sources that send direct deposits to your old account to notify them of your new account at Saint Luke's Credit Union. Examples are your employer, social security, dividends etc.
- Send written notice to your former financial institution directing them to close your account and send the remaining balance to Saint Luke's Credit Union.

It's that Easy!
